

REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

The Abstract has been amended above to put it in proper US format and a copy of same in fully amended form is also attached as a separate sheet constituting the required new Abstract of the Disclosure on a separate sheet.

The specification has been amended to insert the usual headings as also required.

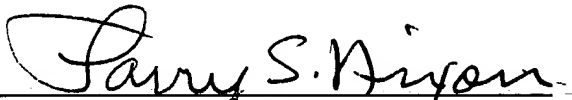

The allowance of claims 1-5 is appreciatively noted.

The rejection of claim 6 under 35 U.S.C. §102 as allegedly anticipated by Aboutalib et al. '587 is respectfully traversed. However, since this claim has been cancelled above, the outstanding ground of rejection has now been mooted and it is not believed necessary at this time to further explain the reasons for such traversal.

Accordingly, this entire application is now believed to be in fully allowable condition and a formal Notice to that effect is respectfully solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
